CAYMERA INTERNATIONAL

A Hospitality Group

COMPANY PROFILE

Caymera International is a brand new full-service consulting and advisory firm providing innovative and strategic counsel to the hospitality and tourism industry. The firm offers clients a systematic approach to managing their assets and identifying business improvement opportunities. Specializing in asset management, hotel and resort openings, rebranding, and turnarounds for struggling or financially distressed operations, our expertise is wide ranging. Whatever the challenge and whatever the opportunity, through our bespoke hospitality consulting services we can investigate, analyze, recommend, and implement the way forward. Our services are tailor-made to deliver efficient and profit-maximizing results for any hospitality or tourism business.

SERVICES

Consultancy and Advisory Services | Asset Management | Special Projects and Research | Task Force | Sales & Marketing | Digital Strategies | Operational Reviews | Quality Assurance | Team Training

OUR TEAM

Our senior consultants are experienced hospitality and tourism industry professionals, former owners/operators themselves. They offer clients in the U.S., Latin America, Caribbean a systematic approach to managing their assets and identifying business improvement opportunities. They understand the objectives, concerns, and needs of our clients and strive to fulfill them. From Asset Management to Consultancy and Advisory Services to Special Projects, and beyond - we tailor our services to deliver the best results for our client's asset.
